Stretcher bars are either 3/4" or 1 1/2 "deep - Please specify. All canvas prints are sprayed with a varnish that has been developed to protect against moisture and abrasion as well as preserve and enhance the canvas

## Backlit Prints

Print Size	Floater Frame	Without Frame
22x28	\$675	\$575
24x36	\$750	\$650
32x40	\$950	\$825

Backlit Prints are great for displaying images with a wide dynamic range. Backlight creates depth giving images a three dimensional lifelike look. Total depth of print & frame is 2 1/4 inches. The Backlight Print requires power.

## Window Shades

Standard Shades come in widths of up to 42" wide by whatever length. Custom shades are available in widths up to 60" wide by what ever length.

Since shades are generally tall and narrow, certain images will work better than others. One option for multiple windows side by side is to put part of the image on each shade and the series of shades will create one image.

2ft. - 135      3ft. - \$168      4ft. - \$200      5ft. - \$235      6ft. - \$270      8ft.- \$340
